

The McCreight Foundation of Virginia grant to Richmond Christian School provided tuition assistance to the following families:

In the first family, the husband recently lost his job and they have a 1st grader – received tuition to cover remaining balance for the school year.

In the second family, work has slowed down for husband so income has slowed down – they have other family members helping with payments right now – they have an 8th grader and 4th grader at RCS – received money to cover 2nd semester tuition for 4th grade student.

In the third family, the husband passed away suddenly last year and the wife is raising the 2 grandkids and sending them to RCS – a 5th grader and Kindergartener – received money to cover most of the 2nd semester tuition for the kindergartener.
